When self-archiving a paper the Author should clearly declare that the archived file is not the final published version of the paper, he/she should quote the correct citation and enclose a link to the published paper ([http://dx.doi.org/\[DOI of the Manuscript without brackets\]](http://dx.doi.org/[DOI of the Manuscript without brackets])).

Author also confirms that he/she shall hold Publisher harmless of all third-party claims in connection to non-authorized use of the Manuscript by Publisher. Should Author wish to reuse material sourced from third parties such as other copyright holders, publishers, authors, etc. as part of the Manuscript, Author bears responsibility for acquiring and clearing of the third party permissions for such use before submitting the Manuscript to the Publisher for acceptance.
